

# DAÏMÔN

The Centre de production DAÏMÔN team is pleased to launch the film photography challenge!

From April 3 to May 5, 2023, members of the Centre de production DAÏMÔN are invited to capture an image and develop an original photograph. The works thus created will make up the corpus of a competition exhibition presented by DAÏMÔN in the galleries of our partner AXENÉO7 from May 11 to 25, 2023.

No experience? No problem!

Members of DAÏMÔN, experts in the field, will be on site on Wednesdays April 5, 12, 19 and 26 to lead introductory workshops in film photography and accompany you in your exploration of the darkroom.

## CONTEXT AND CONSTRAINTS

In order to facilitate and support the production of works, participants will be able to benefit free of charge - by reservation only – from the darkroom, paper and development chemicals offered by DAÏMÔN. It will also be possible to bring your own equipment if you wish to do so.

In order to ensure fairness between all participants and that each photograph is equally highlighted during the exhibition please ensure that your proposal respects the following constraints:

- Our submission is an original work, created or adapted for the challenge.
- The final work will have a maximum size of 11" x 14".

## PLEASE NOTE :
